Does your mother need another teddy bear to put in an overstuffed closet?

Does she need flowers grown by underpaid workers exposed to dangerous chemicals, then brought to the US with tons of fossil fuels?

Does she need chocolate, with lots of added sugar and cholesterol?

If not, perhaps the woman you want to honor this year would appreciate a gift to Global Women's Project in her name? Send the name and address of the mother or other women you want to honor this Mother's Day, along with a donation of your choosing, to

Global Women's Project  
c/o Nan Erbaugh  
47 S. Main Street  
West Alexandria, OH 45381-1243

Your gift will support girls' education in Uganda, a women's sewing cooperative in Sudan, a women's radio show in Palestine, and more! Read more about our project partners [here](#).

Remember to include your name(s) and recipient's name and address. You may also make memorial donations. These will be honored on a special page our website: [www.globalwomensproject.org](http://www.globalwomensproject.org). Lovely, handwritten gratitude cards will be mailed in time for Mother's Day, if we get your request by May 5.
