

June Greetings from the Global Women's Project--

Our hearts are brimming with gratitude for the fantastic way people responded to the GWP Lenten calendar and the Mother's Day Project. Because of your generous contributions, we will be able to sponsor six projects this year. Women throughout the world will be empowered toward self-sufficiency and hearts will be touched in the process. Thank you all so much!

If any of you will be attending the Church of the Brethren Annual Conference in San Diego this month, stop by and see our display at the Women's Caucus booth. Thanks to Women's Caucus for graciously sharing space with us this year. Thanks for your continuing support of the Global Women's Project,

Nan Erbaugh on behalf of the GWP Steering Committee
