Mother's Day Gratitude Project Wrap-Up

Your response to our Mother's Day Gratitude Project was overwhelming. Because of your generosity, almost \$2400 is now available to fund projects for women throughout the world. Gracious thanks!

A Look Ahead to the Church of the Brethren Annual Conference—“Taking Jesus Seriously”...and Following Jesus Joyfully!

GWP will be at Annual Conference in Pittsburgh, PA, July 3-7. Come visit our booth in the exhibit hall as we celebrate how Jesus takes women seriously. We would love to connect with you.

But remembering that in the midst of taking Jesus seriously, we also take Jesus **JOYFULLY**, we will host an afternoon **tea time on Tuesday, July 6, at 4:45pm at our booth**. Hear dramatic readings of “Birthing a New World,” the speech that gave birth to GWP. And to lend a joyful, festive tone to the tea, **we invite you to wear clothes, circa 1978!** So dust off those bell bottoms and wing out your hair, because following Jesus isn't simply a serious task, it is also a joyful calling!

Even if you don't have the 1978 clothes, we hope you join us for tea as we explore the serious and joyful work of GWP! We look forward to seeing you in Pittsburgh.

We are grateful for your continued support as we seek to empower women throughout the world.
